2005-06 OUTLOOK

The Old Dominion University Monarch golf squad returns four lettermen from last year's squad that had six top ten finishes in the spring season. The Monarch returnees include seniors Nick Kenney and Greg Sampson, sophomores Stan Guerrero, Kyle Hartlaub, and newcomers Christopher Barach, Kevin Bryce, Jeffrey Long, Matthew Rendell and Matthew Watson.

In the fall of 2005, the Monarchs finished strong. ODU had four top five finishes, highlighted by the first place title at its own ODU/Seascape Collegiate in Kitty Hawk, NC. The Monarchs had two third place finishes at the Joe Agee and Mission Inn Collegiate tournaments and a fifth place finish at the Raines tournament.

"We were in the top five in four fall tournaments, including a come-from-behind victory at the ODU/Seascape event," said head coach Murray Rudisill. "The team stroke average was 289.5 for the 14 rounds in the Fall. This is a tremendous improvement over the past two years and should elevate the national ranking of the Monarchs squad. The senior leadership of Greg Sampson and Nick Kenney has also helped the young squad improve dramatically during the fall season. Everyone is very enthusiastic about the spring season which begins in February."

Greg Sampson picked up where he left off last year as ODU's top golfer in three of the fall events. Nick Kenney was ODU's top performer in one and freshman Matthew Watson led the Monarchs in three events.

2

Last Year, Sampson led ODU in five tournaments which included an eighth place at Wofford and a sixth at Mission Inn, while Kenney took seventh at Matlock and Guerrero was 11th at the CAA Championships.

Monarch newcomers have some outstanding credentials and are already showing promise for the future. Matthew Watson, the two-time Virginia AAA state runner-up placed third at the ODU/Seascape and eighth at Mission Inn. Jeffrey Long, a first team All-State selection from Centreville VA. was 15th at the ODU/Seascape. Matthew Rendell comes to ODU from Reading England, the same town that produced one of ODU's top golfers in two-time CAA Player of the Year Geoff Harris ('03). Rendell has already broken many of Harris' records in England. He will red shirt this season. Christopher Barach placed in the top four of the New York State Championships the last two seasons at Niskayuna High School, while Kevin Bryce was the Toronto Star's top private school athlete and Canadian Independent School's Champion.

Once again, the Monarchs will be playing some of the toughest competition in the Southeast this season as they look to continue the proud tradition of success that has become a staple of the Old Dominion golf program. The City of Norfolk opened the new nine-hole golf course in Lambert's Point next to the ODU campus which provides the Monarchs with state of the art locker room, facilities, office space, and practice facilities.

"The Monarchs are a fairly young squad this year with seven of the nine golfers being freshmen or sophomores," notes Rudisill. "Two outstanding freshmen Jeff Long and Matt Watson have jumped into the starting line-up and have made an immediate impact. Matt Watson's stroke average for the fall was 71.8 which is very good for any college player and especially a freshman. Stan Guerrero played great in the fall as well."

Dr. Murray Rudisill

Head Coach

A five-time conference and four-time Virginia State Coach of the Year, Dr. Murray Rudisill has been the head coach at Old Dominion University for 30 years. During his tenure, the Monarch program has grown into one of the top rated teams in the Southeast.

In 2004, the Monarchs took second at the Colonial Athletic Association Championships, and Rudisill was named Virginia College Coach of the Year. In 2003, ODU captured their first ever CAA championship with a sudden death playoff win over UNC Wilmington. That earned the Monarchs their first ever NCAA team tournament appearance. The Monarchs tied for 15th at the West Regionals. Geoffrey Harris was named CAA Player of the Year for the second straight time and also earned All-Region honors. Harris was also one of five finalists for the prestigious Byron Nelson Award.

Rudisill earned CAA Coach of the Year honors in 2003 which adds to his previous honors in 1999 and 2000 along with Coach of the Year honors in the Sun Belt in 1984 and 1989. He was selected Virginia College Coach of the Year by the Portsmouth Sports Club

in 1988, and his fellow coaches in the State of Virginia have selected him Coach of the Year in the state in 1988, 2000, 2003 and 2004.

Rudisill has served on the board of Directors for the Virginia State Golf Association, and is serving his fourth, five-year term as chairman of the Virginia State Golf Coaches Association. Additionally, he has served as chairman for the selection committee for the NCAA Golf District III. Rudisill is a member of the board of trustees of College Golf Fellowship.

Two of Rudisill's former golfers, Jim McGovern and Joe Daley qualified for the PGA tour in 1998. In 1991, Jon Hurst became the first Monarch to qualify at the NCAA Division I Championships in Monterey, CA., and earned All-American honors. Hurst along with Alan Schulte, a two-time Sun Belt Conference champion are both in the ODU Sports Hall of Fame.

Rudisill has coached back-to-back CAA Rookie's of the Year in Michael Hospodar in 1999 and Geoffrey Harris in 2000. The 1999 Monarch squad ranked first in the nation in par three scoring at 3.11. The 2000 squad lost the CAA Championships by one stroke and ranked in the top ten in the district and the nation's top 50.

In 2002, Geoffrey Harris ranked as high as second nationally with a stroke average at 70.0 after the fall season, and later competed in the prestigious Palmer Cup for native Great Britain against team USA.

Strengthening his reputation as an excellent golfer with top performances in regional and amateur events, Rudisill has teamed with Old Dominion Hall of Fame golfer J.P. Leigh to win over 50 tournaments in the area.

A native of Gastonia, NC, Rudisill is a 1960 graduate of North Carolina State University where he was a member of the golf team. Rudisill earned his masters degree from the University of North Carolina and moved to Hampton Roads and the Tidewater Community College System in 1968. He was awarded a doctorate in Curriculum/ Instruction from the University of Florida in 1972 and joined the Old Dominion faculty that same year. He retired from teaching in May of 2004.

MONARCHS IN THE PROS

A number of Monarch golfers have participated on various professional tours. Jim McGovern ('88), a two-time All-Sun Belt performer captured his first PGA title with a sudden death victory over John Huston in the 1993 Houston Open.
