

Old Dominion University's athletic program has established a standard of excellence and a reputation that reaches far beyond the campus walls. The university's athletic "family" of logos symbolizes both the program's tradition and its future as a strong competitor in intercollegiate athletics. The logos are designed for use on merchandise, player uniforms, publications, television and the internet. The "banner" in four of the logos allows each sport to customize its logo, while maintaining a consistent identity. The logos are available in a variety of color separations. If you have any questions regarding the logos, or would like to obtain the digital files, please call the athletic creative services office at (757) 683-4207.

TYPE

Banner Text Guidelines

These 3 versions of the Old Dominion athletic logos contain a banner that can be customized for specific uses. The MAC folder has versions of these logos with live text that can be edited. Included in the IBM EPS folder are versions with a blank banner (for example, "TypeB.eps"). Below are the specifications for setting the text in the banner.

Banner text height is equal to one-third the height of the "o" in the word "Dominion".

Font: Copperplate 33BC, All Caps, White only in 3 and 2 color versions, Blue in 1 color version, Black in B&W version

Justified between edges

Text must follow the curve of the banner and be skewed vertically (vertical strokes of the characters remain parallel)
Font can be condensed if more space is needed

Other Text

Text not appearing in the banner should only be placed below the logo and centered horizontally. **Never add inappropriate taglines to the logos.**

Other text height is equal to the height of the banner. Text should be spaced below logo by half of this same amount.

Font: Copperplate 33BC, All Caps, or Times Bold, All Caps, Blue only in 3, 2 and 1 color versions, Black in B&W version

Centered between edges
Text can be set in more than one line

VIOLATIONS

Unacceptable use of logos

In order to maintain the design integrity of the Old Dominion identity logos and to maximize each logo's effectiveness, it is mandatory that all logos be applied as indicated without modification. The logos are not to be altered in any way. Shown here are unacceptable uses of the Old Dominion logos.

Never switch colors or use unapproved color combinations.

Never resize elements or redraw any part of the logos.

Never distort logos.

Never change typefaces.

Never use without associated typography.

Never reverse marks, especially those that include the lion image.

All logos contain a white outline, so reversing is unnecessary.

MINIMUM SIZE

In order to ensure clear reproduction and legibility, the ODU logos may not be used any smaller than 1" wide.
